Step 5

A brief validation confirmation occurs ... and success!

Employees will be notified if they provide incorrect credentials and will be asked to resubmit.

Becker Benefit Group, Inc. Signup

Success!

Your claims will now automatically be submitted to Enlighten Analytics shortly after they appear on the carrier website.

Depending on your carrier, not all dependent claims may be submitted in all cases. To ensure claims are submitted for all individuals covered under a plan, you must add their accounts as well.
